RESPECT LIFE

Under clear and sunny skies, Archbishop Jose Gomez led about 8000 marchers in the first annual OneLife LA March for Life. Preceded by a marching band and a huge banner that read: "We Are the Pro-Life Generation" the march started at Olvera Plaza then wound through downtown L.A., past the Queen of Angels Cathedral and finishing at Grand Park. Following a program of inspirational speeches and a lively concert the marchers went home with a renewed sense of commitment. Any questions contact Bob Kalowes at (562) 225-1946.

KNIGHTS OF COLUMBUS NEWS

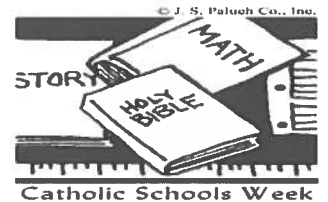

Psalm 100 says: "Make a joyful noise unto the Lord, all ye lands. Serve the Lord with gladness, come before his presence with singing".

The St. Barnabas Parish hall rocked with a joyful noise of singing, laughter and the music of Los Barnabas Boys celebrating the birthday of Fr. George. Grand Knights Waldy Cruz along with fellow Knights and volunteers from the different ministries pulled out all the stops for an awesome night for Fr. George and the hundreds gathered to honor him. Deputy Grand Knight and Head Chef, Joe Ahle, kept the newly donated trailer-able BBQ hopping with a variety of delicious foods. An all time precious moment came when Knight Alvino J. sang a Mexican ballad for Fr. George led by a Mariachi Band.

The next two major projects for the Knights are the Lenten Fish Fry and a Pro-Life dinner.

DID YOU KNOW?

Learn the basics of Internet safety

Children use a variety of online services, and each of these services can have different safety concerns. However, there are some basic tips which you can employ no matter how your children use the Internet: Keep the computer in a high-traffic area of your home; establish limits for which online sites children may visit and for how long; remember that Internet technology can be mobile, so make sure to monitor cell phones, gaming devices, and laptops; surf the Internet with your children and let them show you what they like to do online; know who is connecting with your children online and set rules for social networking, instant messaging, emailing, online gaming, and using webcams.
